

# What does the community look like?

Follow these steps to make a diagram of the community you created while playing the game.

- 1) Record the order of the players' plants in the table.
- 2) Next to the name of the plant is a number of plants. Draw this number of plants in the box.
- 3) Use the key for the appropriate symbol to represent each plant.

See the example below for guidance.

Example:

Order of players	Name of Character	Number of Plants
1 <sup>st</sup> place	Grickle grass	6 plants
2 <sup>nd</sup> place	Truffula tree	5 plants
3 <sup>rd</sup> place	Momerath herb	4 plants
4 <sup>th</sup> place	Lorax tree	3 plants
5 <sup>th</sup> place	Borogrove grass	2 plants
6 <sup>th</sup> place	Mimsy bush	1 plant
